 WARNING! It is the responsibility of the consumer to remove their product if severe weather (such as high winds or other potentially damaging conditions) is forecasted in your area as Innopower Inc. is not liable for any damage, injuries or deaths that may occur as a result of severe weather.

 WARNING! Prior to Installation, consult with all local building codes and check with local authorities for underground pipes, gas lines, water lines, electric wires or wires before you install auger into the ground. Failure to follow these instructions may result in serious injury or death!

 WARNING! When securing elevated platforms you must check the ground under the elevated platform to make sure it is firm and level. Sloping ground or uneven surfaces (e.g., one foot on a rock) can cause your ladder to tilt or shift as you climb. Failure to follow these instructions may result in serious injury or death!

Warnings

-  **WARNING!** When securing elevated platforms, you **MUST** ensure that your elevated platform is erected so that the platform is level. Any installation other than level, will result in a dangerous condition for the user. If you find your elevated platform canted, un-level or in any condition other than level, you must remove it and review manufacturers' installation step by step to insure that you have properly assembled the stand. If the cantor is the result of a sloping ground, do not hunt from that location. Find an alternative installation site that affords level installation. Failure to follow these instructions may result in serious injury or death!
-  **WARNING!** Periodic tensioning of the auger stake and wire rope maybe required as your product settles. For elevated platforms, check tension each time before climbing. Failure to follow these instructions may result in serious injury, death or damage to your product!
-  **WARNING!** Thoroughly inspect this or any other product prior to use for signs of wear, rot, corrosion, fraying, deterioration and/or any other type of damage. **DO NOT** use this or any other product(s) if they show evidence of wear, rot, corrosion, cracks, fraying, deterioration and/or any other type of damage. Failure to follow these instructions may result in serious injury or death!
