How to Measure

- Place your foot on a piece of paper.
- Trace your foot, make sure you stay as close as possible to your heel and your toes.
- Measure the point from your heel to your longest toe. This is your Heel-to-Toe length.

Frequently Asked Questions

Do Crocs come in wide sizes?

No. Most Crocs have a roomy fit, so you’ll likely find their standard sizes are comfortable.

Do Crocs come in half sizes?

Crocs come in whole sizes only. If you typically wear a half size, we recommend your order a size up.
